- Promotion and relegation will be decided by number of matches won, then sets for and against and if needed games for and against. Finally if everything is equal, the result between the two sides will decide who finishes higher.
- Players wishing to join the leagues can sign up for the next 8 week league by adding their name to the sign up sheet and any players wishing to withdraw from the next period, please let us know before the end of the current block of matches.
- Any players not completing any matches may not be included in the next batch of matches, as box leagues can fail if players don't fully commit and keep engaged, so please play all your matches if you can.
